KANSAS STATE UNIVERSITY LIBRARIES

UNCLASSIFIED POSITION DESCRIPTION

Position number: W0052475

YEAR: 2025

NAME David Molik **TITLE** Department Head, Center for Scholarly Communications

RANK Associate Professor **DEPT** Admin

Position Context

The Department Head will advance the K-State Libraries' central role in creating and supporting research and scholarship through strategic leadership and relationship-building. They will expand the Libraries' scholarly communication services, programs, and priorities, including the Open Alternative Textbook Initiative, copyright support, K-State Research Exchange (K-REx), and New Prairie Press. This position will collaborate with internal and external stakeholders to assess, shape, and build upon the Libraries' current portfolio of research support services.

Core Responsibilities

Lead and manage the Center for Scholarly Publishing department while coordinating and facilitating interactions with other libraries and university departments.

Collaborate with subject liaisons, data services, content development, AI librarians, and other campus units to develop, promote, and support open educational resources and other publishing endeavors.

Develop campus partnerships to support and coordinate data facilitation and services.

Foster collaboration and build partnerships across the university to promote best practices in scholarship, copyright, and publishing.

Investigate and implement solutions that advance the support of scholarly publishing by enhancing interdisciplinary work and establishing scholarly identities for faculty.

Serve as a member of the Libraries' Strategic Leadership Council.

Serve actively on library and university committees and teams, pursue involvement in professional organizations or associations, and develop professionally through research, publishing, presentation, or grant-writing.

Reports To: Tara Coleman, Interim Associate Dean
